Applicant directs the Examiner to these applications to consider whether the subject matter claimed, as well as the associated prosecution histories, may be relevant to the patentability of the present application (*e.g.*, for reasons of obviousness-type double patenting). Applicant notes in particular the noted Office Action(s) and Amendment(s) in the reference numbers set forth above. Applicant believes that the Examiner has access to the applications and associated file histories through the Patent Office (*e.g.*, the IFW system). Accordingly, Applicant has not provided copies of these applications or their associated file histories, but would be happy to do so, now or in the future, should the Examiner so request.

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing of a Notice of Allowance. This Statement is accompanied by the fees set forth in 37 C.F.R. § 1.17(p).
